Friday's Back to the 90's Concert Canceled

TOLEDO, Ohio, July 12, 2023 – The ProMedica Live Summer Concert Series regrets to announce that due to circumstances beyond our control, the concert scheduled for Friday, July 14 featuring the Back to the 90's Tour is canceled. ProMedica and the tour management apologize for any inconvenience this may cause for individuals who were planning to attend the show.

Ticket holders can receive full refunds. See details below based on method of purchase.

For tickets purchased through Ticketmaster:
Online purchases will automatically be refunded.

For tickets purchased through the Huntington Center Box Office:
Refunds will be available at the Huntington Center Box Office during normal business hours: Monday through Friday, 10 a.m. – 4 p.m.

For tickets purchased through third parties:
Ticket holders will need to contact their point of purchase for tickets bought through third-party websites.

While this show cancelation is disappointing for everyone involved, we sincerely hope individuals will consider other ProMedica Live Summer Concert Series shows this summer. For more information about upcoming concerts, please visit www.promedicalive.com.

ProMedica is a mission-based, not-for-profit health and well-being organization headquartered in Toledo, Ohio. The organization offers acute and ambulatory care, an insurance company with a dental plan, and post-acute and academic business lines. The organization has 12 hospitals, 2,500+ physicians and advanced practice providers with privileges, 1,000+ health care providers employed by ProMedica Physicians, a health plan, and assisted living facilities, skilled nursing centers, memory care communities, outpatient rehabilitation clinics, and hospice, home health and palliative care agencies. Driven by its Mission to improve health and well-being, ProMedica has been nationally recognized for its advocacy programs and efforts to address social determinants of health. For more information about ProMedica, please visit promedica.org/aboutus.
